### EARN YOUR GOLD TRAINER NECKERCHIEF!

### Why?

The Trainer Development Conference is designed to equip a Scouter who trains at any level (unit, district, council) with the resources and methods to train each course's participants with both skill and desire. Roundtable staff, University of Scouting instructors and all other trainers will benefit from learning presentation skills and making sure they are up to date on their Scouting info and resources. To be on a Wood Badge staff, current TDC training is a requirement.

We want every trainer in the Greater Alabama Council wearing the gold Trainer neckerchief this year, so let's put out the word!
